

If you are ready to achieve greater success in your career, choose the university that offers quality, convenience, as well as an innovative curriculum. Our interdisciplinary program enables professionals to integrate their work and academic experience in a convenient evening schedule.

The MBA Program at Cal State University, Northridge seeks students who show a high promise of success both in the program and in their future career endeavors. In order to identify well rounded students, we look for these items in admission decisions:

- * 3.0 GPA in the last 60 semester units (90 quarter units)
- * Professional work experience of at least one year is sufficient, 3 to 5 years preferred
- * GMAT scores in the 50th percentile or higher in all sections

DEADLINES:

<u>Semester</u>	<u>Application</u>	<u>GMAT</u>
Fall	May 1	May 31
Spring	October 1	October 31

The evening MBA program consists of 15 units of foundation courses and 33 units of core program coursework. Applicants who hold a bachelor's degree in a field other than business are required to complete the foundation courses before proceeding to the core courses. Those applicants who hold a bachelor's degree in business from an accredited university may receive a waiver for the foundation courses. Evaluation of previous coursework is done during the assessment for admission to the program.

MBA CURRICULUM:

MBA Foundation Courses (15 units)
